Proof of purchase including original receipt showing items purchased is required. Photographs/digital images are required in certain instances. Warranty coverage begins on the date of purchase. In some cases, there will be a pro-rated charge for the time the product was in use. EXCLUSIONS

Defects that develop due to extreme climate conditions are not covered by this warranty.

Stone tops are handcrafted from natural stone. Color and grain variations are inherent in natural stone materials and are not covered under warranty.

This warranty does not apply to floor samples or "seconds."

WINTER STORAGE

During winter, all furniture should be stored indoors in an upright position to allow for proper water drainage. Storing furniture upsidedown may cause water to accumulate and freeze inside the frame, causing serious structural damage that is not covered by this warranty.

RETURN OF FURNITURE

If it becomes necessary to return furniture, the original purchaser must provide proof of purchase when making a claim. Photographs or digital images may be required in certain instances. Prior written authorization from us is required to obtain a Return Authorization (RA) number. This RA number must be attached to each piece of furniture returned to us.

For additional information or service, please contact Brown Jordan Company via phone or email or the retailer where the Brown Jordan furniture was purchased. We will render reasonable assistance in settling claims.
